

# Cablecomm Wireless Modem Details

Crossan CableComm Ltd. Ardrum Business Park, Main St Longford  
Tel: (043) 33 93 222 Email: info@crossan.ie Web: www.crossan.ie

SSID: **CableComm-** \_\_\_\_\_ (Last 6 digits of the Cable Modem MAC Address)

Password (Pre-shared key): \_\_\_\_\_ (Cable Modem Serial Number (9 digits long))

**PLEASE NOTE:** Wireless is provided for your convenience. Wireless is not a perfect technology and can be susceptible to interference from items such as microwaves, baby monitors video senders and your neighbours Wi-Fi router etc. While wireless is convenient for the best performance, the best way to connect to all Broadband services is by the network Ethernet cable provided.

*Example label that is located on the underside of the Cable Modem*
